

FAT OF THE LAND

2012 Shiraz From a Single Vineyard in
Seppeltsfield in the Barossa Valley

Grab

A muscular brooding expression of Barossa Shiraz.

Spiel

The Barossa is an amazing place with a diverse history from which a great community has grown living off the Fat of the Land. Famed for its Shiraz vineyards, some dating back to the 19th century, the wines from this small, but proud region are as unique and divergent as its history and community. One can make such varied expressions of Shiraz, due to the different meso-climates of each subregion, the elevation range, and the myriad of soil types that are to be found throughout the Barossa. The Fat of the Land series seeks to showcase the sub regions of the Barossa, and the contrasting styles of Shiraz that can be made here.

Colour

Dark kirsch

Bouquet

Lifted dark cherry aromas with notes of licorice and dark chocolate

Palate

Flavour packed with kirsch, prunes, dark chocolate and liquorice. Rich and muscular, like Arnold Schwarzenegger.

Grub Match

English 'school dinner' style liver and bacon; sweetbreads

Cellaring

Built for aging not for speed, have another look at this sleeper in 10 to 15 years time.

Vintage

A tale of hope and glory. Good rains throughout much of 2011 setup vineyards with good soil and vine health going into the growing season. Warmer and drier conditions through October and November followed, which led to strong and healthy shoot growth, and by December, below average crops were evident due to less and smaller bunches. We were full of hope. January and February were characteristically dry, but continued the trend of below-average temperatures. There was a rain event in early March, however it didn't cause any disease issues, and actually refreshed many vineyards and allowed them to ripen steadily. Not surprisingly the cool ripening conditions delivered fruit with intense aromas and flavours, and allowed every site to show its full potential and individuality in the resulting wines. 2012 was a privileged vintage. After the mother of all harvests the previous year, we were rewarded with outstanding quality across all varieties, whilst working with old friends (TSW and JP) in our new 'Home of the Brave' winery.

It will sit among the greatest vintages, perhaps the most glorious! Truly blessed and thankful.

Vineyard

Darren's vineyard is to the north of Seppeltsfield in the west of the Barossa – 285m above sea level on clay over limestone

Vinification

The fruit is crushed/destemmed and fermented at temperatures ranging from 20- 25°C for 10 days on skins. The ferment is managed by a variety of techniques, including 'aerative pump overs' and 'drain and returns' which assist in extracting colour, flavour and tannin from the grapes. At the end of fermentation, it is drained/pressed, and transferred to 40% new French oak hogsheads, and the balance to 3 and 4 year old French oak hogsheads to undergo MLF. Post MLF, sulphur dioxide is added, and the wines mature sur lie for 20 months. This wine was bottled unfiltered in December 2013.
