

MOTHER'S MILK

2013 Barossa Shiraz

Grab

Slurpy, savoury and textured – no sledgehammer, so drink up!

Spiel

Not a sledgehammer style, this Barossa Shiraz is made for drinking! Soft, slurpy and textured it is balanced with good acidity, which refreshes the palate and makes you go back for a second / third glass. Sourced from 2 unique vineyards, it is fruit laden, savoury and dangerously easy to drink! It is matured for 12 months in French oak hogsheads to allow the fruit to express itself.

Colour

Garnet red with purple hues

Bouquet

A complex nose of dark cherry and blackberry aromas with a hint of forest floor and spice

Palate

Vibrant dark cherry and blackberry with a hint of 'wombat rolled in all spice' balanced with an even, textural palate with soft, supple tannins

Grub Match

Rump steak, mushroom sauce, chips and salad – say no more!

Cellaring

Drink up, but also a 5-8 year proposition.

Vintage

Following a 'champagne' vintage like 2012, it was always going to be a hangover year. Low winter and spring rainfall led to variable vine growth. Soil moisture monitoring and irrigation proved to be vital in one of the driest seasons on record. The dry conditions led to a poor fruit set, and a heat spell in early February brought on vintage quickly. There was no time for hangovers now, as the excitement of harvest kicked in. With most of the action over by the end of March, it was clear to see that the dry season and low yields had produced some exuberant wines reminiscent of 2008. 2013 was a fun and frantic vintage producing equally exciting wines!

Vineyard

Darren's vineyard is to the north of Seppeltsfield in the west of the Barossa – 285m above sea level on clay over limestone

Milton's vineyard is to the east of Eden Valley in the east of the Barossa - 460m above sea level on clay over ironstone and quartz

Vinification

The fruit is crushed/destemed and fermented at temperatures ranging from 20-25°C for 8 days on skins. The ferment is managed by a variety of techniques, including 'aerative pump overs' and 'drain and returns' which assist in extracting colour, flavour and tannin from the grapes. At the end of fermentation, it is drained/pressed, and transferred to 3 and 4 year old French oak hogsheads to undergo MLF. Post MLF, sulphur dioxide is added, and the wines mature sur lie for 12 months. This wine was bottled in May 2014.
