

# ENDLESS SUMMER

2020 Adelaide Hills Pinot Grigio

---

## Grab

Deliciously refreshing and overflowing with thirst quenching drinkability.

## Spiel

Come touch the sun and feel the love. This compilation is deliciously refreshing; overflowing with apples, limes and thirst quenching drinkability

## Colour

Pale straw, with tinges of green

## Bouquet

Green apples and limes with tropical notes

## Palate

Apple and lime flavours dominate on a zesty, zingy palate.  
Lip smackingly refreshing!

## Grub Match

A bucket load of seafood

## Cellaring

Drink up!

## Vintage

Below average rainfall over winter followed by a very dry spring; with high winds and cold nights in November disrupting flowering; and hot, dry conditions in December and early January reducing bunch and berry size; resulted in yields at least 50% below the 10-year average. Thankfully a cooler February and March led to slower ripening despite the low yields. Whilst variability within vineyards, caused by the earlier extremes in the season, meant for tricky picking decisions, the low yields have seen intense flavours in whites, and reds that show great depth and structure. 2020 was yet another challenging vintage, to rival 2019, but again it's delivered one of which to be proud, with Garnacha, Monastrell and Eden Valley Syrah showing particularly well. A harvest that will be remembered for the challenges posed by bush fires, difficult picking decisions, and a global pandemic, but one that presented a thrilling rollercoaster ride! Hands in the air!

## Vineyard

Nigel's vineyard is near Gumeracha in the central Adelaide Hills - 348m above sea level on clay with shale

## Vinification

The aim throughout the fruit processing stage is to preserve the fresh flavours by gentle handling, and by keeping the fruit and juice as cool as possible. The fruit is crushed as soon as it arrives at the winery and the free run juice drained off immediately. This is then fermented by a neutral yeast strain at low temperatures of 12-15°C so that the wine maintains primary fruit aromas and flavours. Throughout the process the aim is for minimal handling, and attention to detail, ensuring that the delicate aromatics are not compromised. Fermented to dryness, this wine was filtered and bottled soon after vintage in May 2020.
